The charge levied for examinations will be the cost of the examination entry, plus any applicable costs incurred.

Materials & Textbooks

Where a pupil or parent wishes to retain items produced as a result of art, craft and design or design and technology, a charge may be levied for the cost of the materials used. In the case of Food Technology, pupils usually provide their own ingredients, but if the pupil forgets, the school provides the ingredients and levies a charge. Textbooks are provided free of charge, but in some subjects, additional revision guides are available, for which a charge is made.

Music Tuition

The school levies charges in respect of individual music tuition, and group music tuition up to and including four persons, if the teaching is not an essential part of either the National Curriculum or a public examination syllabus being followed by the pupil.

Activities Outside School Hours

No charge will be made for activities outside school hours that are part of the National Curriculum or religious education, or that form an essential part of the syllabus for an approved examination.

If a pupil is prepared outside school hours for an examination that is not set out in regulations (the full list of which is available from the school), a charge will be levied for tuition and other costs.

For all other activities outside school hours, a charge up to the cost of the activity will be levied.

Damage/Loss to Property

A charge will be levied in respect of wilful damage/disruption, neglect or loss of school property (including premises, furniture, equipment, books or materials), the charge to be the cost of replacement or repair, or other quantifiable costs. The charge will be at cost or lower as the Principal may decide.

A charge will be levied in respect of wilful damage, neglect or loss of school property (including premises, furniture, equipment, books or materials), belonging to a third party, where the cost has been recharged to the school. The charge to be the cost of replacement or repair, or such lower cost as the Principal may decide.

Voluntary Contributions

Where the school cannot levy charges, and it is not possible to provide these additional activities within the resources ordinarily available to the school, the school may request or invite parents to make a contribution towards the cost of the activity. Pupils will not be treated differently according to whether or not their parents have made any contribution in response to the request or invitation. However, where there are not enough voluntary contributions to make the activity possible, then it will be cancelled.

Lettings

CHARGES FOR THE USE OF SCHOOL PREMISES AND FACILITIES - The Governing Body will set and renew on an annual basis, charges for the hire of school premises and facilities. These charges will be minuted and made known to all external hirers of the school's premises and facilities. Charges can also be made for any additional service or resource.

Other Charges

The Principal, Resources and Audit Committee or Governing Body may levy charges for miscellaneous services up to the cost of providing such services, eg. For providing a copy of an OFSTED report.

Refunds

Request for refunds for trips will be considered on an individual basis and may be rejected if the school is unable to recoup the costs incurred.

In all cases of withdrawal, either voluntarily or otherwise, applications should be made in writing to the Principal. If approved, Refunds will be processed via the original method of payment.

The School reserves the right NOT to refund costs where a student is withdrawn from an activity by the School on the basis of the Student's unacceptable behaviour.

Remissions Policy

In order to remove financial barriers from disadvantaged students, the Governing Body has agreed that some activities and visits where charges can legally be made will be offered at no charge or a reduced charge to parents of students for whom the school receives:

- Pupil Premium Grant (PPG) funding or
- 16-19 Bursary funding.

Or if the parent/guardian of a pupil is in receipt of the following:

- Income Support
- Income based jobseekers' Allowance (IBJSA)
- Income related Employment and Support Allowance
- Support under Par VI of the Immigration and Asylum Act 1999
- Child Tax Credit, with no element of Working Tax Credit and a household income below £16,190 (as assessed by HM Revenue & customs)
- Guaranteed element of state pension credit
- Universal Credit

The Duston School – Policy Document

	<p>In addition students may be given financial assistance with uniform and equipment through the hardship fund which is designed to help and support students where there is a demonstrable financial need. The level of support which the school can offer is dependent on the total funding available and the number of applications received. The final decision will be made by the Financial Panel.</p> <p>The Principal, Resources and Audit Committee or Governing Body can use their discretion when considering financial assistance in all other reasonable circumstances.</p>
