

The Primary PE and Sport Premium 2017 to 2018

- Total funding received **£18,100**

Purpose of the premium:

- Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

Use of the PE and Sport Premium

- At the Duston School we used our Primary PE and Sport Premium funding to improve the 5 key indicators below:

Indicator	Actions	Cost	Evidence & Impact
1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.	<ul style="list-style-type: none"> Sports coaches worked with children across the lunchtime period organising a variety of age related sports. A variety of before & after school sports clubs were introduced. 	<ul style="list-style-type: none"> £2,740 	<p>Dependant on the year group age, between 70% - 100% of children took part in activities. 100% of children took part in some form of outdoor activity provided.</p> <p>Sports clubs introduced:</p> <ul style="list-style-type: none"> Hot Shots basketball. Freestyle Football. Freestyle Gymnastics. <p>Applications to take part in sports clubs were more than the amount of spaces the clubs had to offer. More clubs are therefore being introduced in 2018/19.</p>
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement.	<ul style="list-style-type: none"> The School Development Plan for 2017/18 stated that each member of staff needed to ensure they increased physical activity daily for every child in their class. 	<ul style="list-style-type: none"> No cost Sports equipment £5,092.16 	<ul style="list-style-type: none"> As well as encouraging children to take part in activities with sports coaches, school staff themselves ran after school clubs (Multi-skills, Games, Ballet, Jazz and Modern Dance) as well as using tools such as GoNoodle to introduce physical activity to the classroom. New equipment purchased for the playground meant that more children were able to be active for longer taking part in a rota of activities.
3. increased confidence, knowledge and skills of all staff in teaching PE and sport.	<ul style="list-style-type: none"> All members of staff were provided with professional development, mentoring, training and resources to help them teach PE and sport more effectively. PE scheme of work (Merton) was purchased & introduced. 	<ul style="list-style-type: none"> Coaching CPD £7,347.50 Merton Scheme £1,499.65 	<ul style="list-style-type: none"> All year groups worked with sports coaches to improve confidence in teaching PE and increase general physical activity. Merton scheme has increased the confidence of staff making everyone aware of creativity, understanding, decision making, fair play, leadership, social skills, fitness and physical activity assessment.
