---	--	---

Policy Title	Uniform Policy	Version No	2
---------------------	----------------	-------------------	---

Rationale	<p>The Duston School is a 4-19 mixed, all-through School, with designated Specialist College status in Business & Enterprise, and Science.</p> <p>This school recognises that direct and indirect discrimination might take place and therefore sees the need for a positive and effective equal opportunities policy.</p> <p>This Policy applies to Students</p> <p>The Duston School uniform is one of the outward signs by which the local community recognises and makes judgments about the students. It is important for students and the school that the way students present themselves is positive and acceptable and creates the impression of a disciplined and well ordered establishment. It is expected that all students will come to The Duston School every day in neat, clean uniform, giving a message that our students take pride in belonging to the school. The support of parents in ensuring this is expected.</p> <p>Members of staff are expected to support the uniform policy, both in a class setting and around the school. The uniform policy supports the ethos of The Duston School by determining the boundaries of acceptable dress. The wearing of The Duston School uniform will support equal opportunities at The Duston School and it simplifies the day-to-day management of students.</p>
