Dear Parents/Carers

On Thursday 23rd March 2017 between 3.45pm - 6.15pm we are holding our annual Year 10 Subject Parents' Evening.

This evening allows parents and students to consult directly with subject teachers with regards to progress made and how to improve further. This is an opportunity for students, parents and teaching staff to recognise good progress and also to discuss ways in which any gaps might be closed.

Appointments can be arranged through the Insight portal.
<http://information.thedustonschool.org>

The Insight Portal will close on Thursday 23rd March at 11am, after this time you will be unable to make bookings to meet with teachers. Please login to make bookings at the earliest convenience as we only have a limited number of slots available and are on a first come first served basis.

If you have any problems accessing this or have any further questions regarding Parents' Evening, then please contact The Events Team at events@thedustonschool.org and staff will be able to assist.

I very much look forward to seeing you.

Yours sincerely

Miss K Deane-Hall
