Dear Parent /Carer,

RE: Year 11 Parents Consultation Evening

I am pleased to share with you details of our upcoming parents evening that we will be holding on **Thursday 1st November**. The evening will begin with an external guest speaker from **4pm - 5pm** sharing key revision tips and techniques. The aim of this session will be to inform parents on strategies for your child when they are revising at home and how best to support them throughout the year in the run up to their exams. This will be followed by a short presentation from the head of English, Maths and Science to outline subject specific revision techniques. These sessions will be for parents only but students are welcome to remain in the Sixth Form area during this time.

From **5pm - 8pm** Year 11 Parents Consultation Evening will commence and you are able to book appointments through the Parents Evening System for all subject teachers. Following parental feedback we have extended Parents Evening until 8pm to allow as many parents as possible be able to attend this crucial event in the Year 11 calendar. We also ask that you book a place at the 4pm session with our external speaker, to ensure we have enough key materials.
