Dear Parent/ Guardian

**Re: 'Monkey' – App/Website**

We would like to make you aware of an App/website called 'Monkey'.

Online safety experts have deemed the app 'extremely dangerous' as it allows users to have video calls with strangers.

The app markets itself as 'an alternative to Omegle, with a TikTok vibe' and, following review, has been found to contain large amounts of inappropriate, disturbing and harmful content transmitted via web cameras.

We would urge parents/carers to check your child's mobile phone/laptop and/or warn them about the dangers of accessing this app/website (and any others of a similar nature).

Further information about the app can be viewed [here](#) .

With kind regards.

Yours faithfully,

Mr L Martin
