1: Rationale

The examination policy should reflect our aim to allow all students to maximise opportunities to demonstrate their potential, and achieve their aspirations, whatever their natural academic ability.

2: Policy Statement

In considering whether pupils should be entered for an examination, we take account of the quality and quantity of their coursework and the level they have reached. For pupils with special educational needs, arrangements are made with the Examination Boards. DoL may select the Examination Board to best meet the needs of the students.

EYFS

All pupils take statutory Early Excellence baseline assessments within their first six weeks of school. This baseline is used to set end of EYFS targets. The baseline is also used to set targets for the end of year 2 and year 6.

Year 1

All pupils take statutory phonics screening assessments in June.

Year 2 (End of Key Stage One)

All pupils take statutory end of Key Stage assessments. These assessments, along with teacher assessments give an overall judgement for a child's end of Key Stage attainment.

Year 6 (End of Key Stage Two)

All children take statutory end of key stage assessments. These assessments, along with teacher assessments for writing give an overall judgement for a pupil's end of Key Stage attainment.

Key Stage 3 (Year 7 - 9)

All students will undertake internal tests during lesson time.

Key Stage 4 & 5 (Years 10 – 14)

The school will normally enter students for a range of qualifications in the subjects that they have studied (see current curriculum model).

Parents are notified of these entries and have the opportunity to discuss them with subject teachers.

The following applies to secondary phase pupils only

Entries

If a student misses part of a course or fails to carry out assignments or coursework to an agreed standard, the school reserves the right not to make the entry in discussion with the SLT Line Manager, pupil and the parents.

If a student fails to complete the course which results in the school having to withdraw after the entry, the student will be invoiced for the entry fee.

Appeals against Controlled Assessments

The school is obliged to publish a separate policy on this subject, which is available from the Exams Office.

The Disability Discrimination Act (DDA) 2005

The DDA extends the application of the Act to all qualifications. The Exam Officer will ensure that access arrangements and special consideration regulations and guidance are consistent with the law.

Special Consideration

Should a student be too ill to sit an exam, suffer bereavement or other trauma or be taken ill during the exam itself, it is the student's responsibility to alert the school, the Exam Officer or the Exam Invigilator, to that effect.

Any special consideration claim must be supported by appropriate evidence within three days of the exam, for example a letter from the student's doctor. The Exams Officer will then forward a completed special consideration request form to the Awarding Body.

Student Behaviour – in addition to the schools BL4 policy.

The school's published rules on acceptable dress and behaviour will apply at all times during all internal and external exams.

No Graffiti is to be written on the exam desks, if a student is found to have written graffiti on an exam desk they will be invoiced for the cost of a repair / replacement.

Exam Regulations

All internal exams will be held under external exam conditions. No unauthorised items which include mobile phones, all watches including smart watches, MP3/4 players are permitted into the exam room, even if switched off. Any student found in possession of a mobile phone or disallowed item, in an exam room, will in accordance with JCQ guidelines be reported to the Awarding Body for mal-practise. It is likely that the student will be disqualified from the exam and may be disqualified from all further exams. The student will also be dealt with in line with the schools behaviour policy.

Attendance to Examinations

If a student fails to attend an external exam, the student will be invoiced for the entry fee.

Results

Students will receive individual statement of results, in person at the school or by post to their home address (students to provide an A4 stamped addressed envelope).

Exam results and certificates will be withheld until all outstanding monies are paid.

Enquiries about Results (EARs) and Access to Scripts (ATS)

EARs and/or ATSs may be requested by staff or students if there are grounds for believing there has been an error in marking. When the school does not uphold an EAR and/or ATS a student may apply to have an enquiry carried out at their own expense.

Certificates

Certificates must be collected and signed for, they may be collected on behalf of a student by a third party, provided they have written authority to do so. The school is only required to retain certificates for two years. After two years, copies can only be obtained from the Awarding Body at an approximate cost of £50 per certificate.

This plan examines potential risks and issues that could cause disruption to the management and administration of the exam process at The Duston School. By outlining actions/procedures to be followed in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.

At all times, the Examinations Officer, Assistant Examinations Officer and Senior Leadership Team will liaise with the relevant Awarding Body to ensure any contingency plans meet with its requirements and that JCQ regulations are adhered to where possible.

Alongside internal processes, this plan is informed by information contained in the *Joint contingency plan for the examination system in England, Wales and Northern Ireland* where it is stated that “Centres should prepare plans for any disruption to examinations as part of their general emergency planning. It is important to ensure that relevant centre staff are familiar with the plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.”

4. Causes of potential disruption to the exam process

1. Exam officer extended absence at key points in the exam process (cycle)

Criteria for implementation of the plan

Key tasks required in the management and administration of the exam cycle not undertaken including:

- *Planning*
 - annual data collection exercise not undertaken to collate information on qualifications and awarding body specifications being delivered
 - annual exams plan not produced identifying essential key tasks, key dates and deadlines
 - sufficient invigilators not recruited and trained
- *Entries*
 - awarding bodies not being informed of early/estimated entries which prompts release of early information required by teaching staff
 - candidates not being entered with awarding bodies for external exams/assessment
 - awarding body entry deadlines missed or late or other penalty fees being incurred
- *Pre-exams*
 - exam timetabling, rooming allocation; and invigilation schedules not prepared
 - candidates not briefed on exam timetables and awarding body information for candidates
 - exam/assessment materials and candidates’ work not stored under required secure conditions
 - internal assessment marks and samples of candidates’ work not submitted to awarding bodies/external moderators
- *Exam time*
 - exams/assessments not taken under the conditions prescribed by awarding bodies
 - required reports/requests not submitted to awarding bodies during exam/assessment periods e.g. very late arrival, suspected malpractice, special consideration
 - candidates’ scripts not dispatched as required to awarding bodies
- *Results and post-results*
 - access to examination results affecting the distribution of results to candidates
 - the facilitation of the post-results services

Centre actions:

- Assistant Examinations Officer to assume responsibility for the above tasks with the support of the Senior Leadership Team (SLT)

2. SENCo extended absence at key points in the exam cycle

Criteria for implementation of the plan

Key tasks required in the management and administration of the access arrangements process within the exam cycle not undertaken including:

 - modified paper requirements not identified in a timely manner to enable ordering to meet external deadline
 - staff providing support to access arrangement candidates not allocated and trained
- *Exam time*
 - access arrangement candidate support not arranged for exam rooms

Centre actions:

- The Teaching Assistants, Examinations Officer and Assistant Examinations Officer to work with the SENCo to identify students where applications for access arrangements may be required. The employment of outside agencies/professionals may be required.

Criteria for implementation of the plan

Key tasks not undertaken including:

- *Early/estimated entry information not provided to the exams officer on time; resulting in pre-release information not being received*

 - *candidates not being entered for exams/assessments or being entered late*
 - *late or other penalty fees being charged by awarding bodies*
- *Internal assessment marks and candidates' work not provided to meet submission deadlines*

Centre actions:

- The Examinations Officer to liaise with acting Head of Department and/or SLT, if necessary, to ensure all necessary deadlines are adhered to. Where this is not possible, the EO will liaise with the relevant Awarding Body and act upon advice received.

Purpose of the policy

This document is provided as an exams-specific supplement to the *centre-wide accessibility policy/plan* which details how the centre

“recognises its duties towards disabled candidates as defined under the terms of the Equality Act 2010†. This must include a duty to explore and provide access to suitable courses, submit applications for reasonable adjustments and make reasonable adjustments to the service the centre provides to disabled candidates.

†for any legislation in a relevant jurisdiction other than England and Wales which has an equivalent purpose and effect”

[Quote taken directly from chapter 5.4 of the current JCQ publication General regulations for approved centres]

- the provision of specialist equipment or adaptation of standard equipment
- adaptation of the physical environment for access purposes

The table provides example arrangements, adjustments and adaptations that are considered to meet the need(s) of a candidate and the actions considered/taken by the centre for the purposes of facilitating access.
