

MFL Curriculum

Learning Spanish at KS2 is important in order to develop interest and enthusiasm for different cultures around the world. By learning a foreign language, children can develop their understanding about where the language is spoken, how cultures vary and how daily lives can differ.

At The Duston School, we use the Language Angels scheme of work and resources to support the teaching of Spanish. The curriculum is progressive with children moving through early language, to intermediate and finally to progressive. Following this curriculum ensures that we cover the national curriculum and that our MfL offer is broad, ambitious and covers a variety of topics.

The four key language learning skills; listening, speaking, reading and writing are taught and all necessary grammar is covered, enabling children to use and apply their learning in a variety of contexts, laying down solid foundations for future language learning.

	Curriculum Map and Key Knowledge Goals					
	Lower Key Stage 2					
	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
