Please take a few minutes to reflect on the film and the issues it raises.

What will my child be learning?

They will be learning about how to stay safe from grooming by using the Breck philosophy of:

- B** Be aware / believe
- R** Report / responsibility
- E** Educate / empower
- C** Communicate
- K** Know the signs / know who to talk to / keep safe

What support are we providing your child?

If any student is concerned by what they have seen or have any issues personally (or they're concerned for a friend), they can ask to speak with a member of staff that they trust and feel comfortable talking to.

Assistant Directors of Year and Tutors are available to each year group and Mr Martin is available in the Safeguarding office.

How do I have a conversation with my child about the film?

Grooming- Why does it happen?

- ▶ The aim is to build an emotional connection with a child with a view to gaining their trust
- ▶ This is traditionally seen to be for sexual purposes.
- ▶ However, grooming techniques are also used to get people involved in both drugs and crime and radicalization / extremism.

Grooming online - How does it work?

What are some of the signs of online child grooming?

- ▶ Secretive behaviour about what they are doing online
- ▶ Having older boyfriends or girlfriends
- ▶ Going to unusual places to meet up with friends
- ▶ They suddenly have new things like clothes or phones which they can't explain
- ▶ They have access to drugs and alcohol
- ▶ Inappropriate sexual behaviour for their age
- ▶ They may become more withdrawn, anxious, depressed or aggressive
- ▶ Alternatively they can become more clingy, have problems sleeping and eating or can wet the bed

When does grooming break the law?

What can I do to protect my child?

- ▶ Look out for your child moving to new platforms to chat.
- ▶ Use webcam and devices in public spaces.
- ▶ Encourage your child to identify safe and trusted adults.
- ▶ Make sure your child knows where to go for support.
