1: Overarching Policy Aims:

This policy aims to:

- Define what we consider to be unacceptable behaviour, including bullying
- Outline how pupils are expected to behave
- Summarise the roles and responsibilities of different people in the school community with regards to behaviour management

2: Legislation and statutory requirements:

This policy is based on advice from the Department for Education (DfE) on:

- Behaviour and discipline in schools - [Behaviour and discipline in schools](#)
- Searching, screening and confiscation at school - [School Discipline](#)
- The Equality Act 2010 - [Equality Act 2010](#)

3: School Aims:

The Duston School seeks to create a culture, climate and ethos that brings out the best in all of its pupils. The school places character virtues at the heart of all that it does and has a well-planned, intentional and co-ordinated approach to developing positive behaviour and character, which is underpinned by strong leadership and a clear vision for the school.

The Duston School is founded on a clear mission statement and set of aims that inspire our pupils to 'climb the tree of knowledge so they can access University, Higher Education, Employment or an Apprenticeship and be the very best edit of themselves.' The school firmly believes in the power of over-communication and of visually displaying clear messaging across the entire school. The school's mission statement is visible across the school and looks as follows:

At The Duston School we believe that education should provide our young people with both the currency and character to succeed. We work relentlessly to nurture our pupils to unlock and achieve their potential. Our pupils are actively encouraged to make a valuable contribution to society and thrive in a mutually supportive environment. All of our pupils are educated to enter the adult world with a strong moral compass, a real sense of resilience and to be armed with the key transferable skills that will allow them to succeed in an ever changing and fast paced globalised labour market. Our curriculum is broadly traditional in nature, with a large number of our pupils following an EBacc pathway. Knowledge is the ultimate key to academic success. We endeavour to help our pupils gain the highest qualifications, acquire flexible life-long learning skills, and be ready to act responsibly as global citizens. We also promote the social, moral, spiritual and cultural development of our pupils, including a recognition and understanding of Fundamental British Values.

The school's overall ethos is built on the premise of you permit what you promote and you promote what you permit, with all pupils inspired to 'Dream, Believe and Achieve.' The Primary Phase has introduced a motto of 'Be Your Best' which is underpinned by the values: Care, Challenge and Succeed. The school operates a mutually supportive approach, built on respect and a can-do culture. This is underpinned by our values; resilience, respect and aspiration. In its broadest sense the school promotes the following: The school operates in a traditional and evidence informed manner, with an improvement plan that hones in on the embedding and refining its culture and further refining and embedding our knowledge rich curriculum approach.

4: Rewards:

Pupils are divided into four houses (Oak, Maple, Chestnut and Willow), as are staff. Pupils are able to gain House Points for demonstrating positive behaviours, linked to the school's values. Broadly this looks as follows:

Value	House Points
Respect	Respectful of others and displays outstanding manners over time.
Aspiration	Shows outstanding resilience by being tenacious and consistently sticking to tasks.
Resilience	Shows aspiration by completing outstanding work consistently above expected level.

The accumulation of House Points can lead to pupils being awarded Bronze, Silver, Gold or Platinum awards, House Badges, rewards and Golden Tickets. All of this is designed to promote character and positive behaviour.

The house system is integral to the rewards that are awarded in the Primary Phase. These include:

- The use of appropriate praise
- Positive body language e.g. Smiles, thumbs up
- Star of the lesson awarded in each lesson – 5 house points
- Gold cards awarded for exemplary work or behaviour linked to values – 10 house points
- Star of the Week awarded in Achievement Assembly – 10 house points
- Hot Chocolate Friday for children awarded the most house points – 5 house points
- Reader of the Week – 5 house points
- Times Tables Rock Star or Numbots – 5 house points
- Visit to Phase Leader, Deputy Headteacher or Headteacher

5: Home-School Agreement:

The Duston School home-school agreement is founded on a number of clear and easy to understand expectations, where all pupils should:

The pupils at TDS should:

- **Dream** big and show **respect** for all members of the school and wider community
- **Believe** that that can be the best and show **resilience** and commitment to their learning
- Work hard to **achieve** their dreams and fulfil their **aspirations**
- Demonstrate character
- Be the very best edit of themselves
- Attend school daily
- Arrive to school and all of their timetabled commitments punctually and on time
- Come to school dressed in the correct school uniform, fully equipped and with all of their homework completed
- Behave in accordance with the school's expectations, values and norms
- Adhere to the school's electronic devices policy

Parents/families are expected to support their child to adhere to these expectations.

The Primary Phase home-school agreement encourages our pupils to Be Their Best.

The Duston Primary Phase will:

- Ensure that your child is encouraged to be their best by trying their hardest in all that they do
- Provide an environment where your child is cared for, challenged in their learning and their achievements are celebrated
- Inform you of any concerns regarding your child's well-being, attendance, behaviour or academic progress
- Ensure that you know how to contact us and are welcome to do so

The Parents/Carers will:

- Encourage my child to do their best and support the school's policy on behaviour
- Support my child with homework tasks and ensure that it is handed in on time
- Make sure that my child wears suitable, named clothing in line with the school's uniform policy
- Not use social media sites to make any comments about the school
- Inform the school immediately of any concerns

The child will:

- Tell a member of staff if I am worried or unhappy about anything
- Behave sensibly so that we are happy and safe as we learn
- Work hard and do my best
- Wear my school uniform correctly and be tidy in appearance
- Ensure that I have consent before I bring a phone to school and will hand it in to the primary office on my arrival (Year 5 and 6)

6: Pre-emptive Strategies:

6.1 Transition:

The school has a clear transition approach in place to induct new pupils into the school so that they are able to meet the school's expectations from day one.

During the summer term members of the senior leadership team and the pastoral team for Year 7 will visit the primary schools of schools sending 5 or more pupils to The Duston School that September. During these visits TDS staff will discuss with pupils what they can expect at secondary school, give them advice to reassure them about the transition to secondary school and share expectations about lessons, routines and behaviour. Staff will also meet with class teachers to discuss feedback about pupils, alongside written references and academic data. Where schools send fewer than 5 pupils these discussions will take place by phone and pupils will be invited to fact finders' days together.

Fact Finders days will also be offered to those pupils which the primary schools identify as vulnerable. This could include having a Special Educational Need or Disability, low confidence/self-esteem or any other reason that their primary school identifies. These are led by the SENDCo and staff from the Positive Impact Centre (PIC). Fact Finders days offer an additional visit to the school before transition days to help settle initial nerves before the main transition event.

Transition takes place over two days where all new pupils attend TDS in July. Pupils are placed in their tutor groups and spend time acclimatising to the school. They also spend time in a carousel of lesson activities to give them a taste of lessons at secondary school.

In September pupils in Year 7 are the only pupils in Key Stages 3-4 to attend on the first two days of the new academic year within the secondary phase of the main school. This gives an additional two days of transition to remind pupils of expectations and how to navigate the school.

6.2 Line Ups & Assemblies:

At the start of each day pupils line up in their tutor groups when they arrive at school from 8.25am to 8.35am. This allows key messages to be delivered to all pupils at the start of the day and to regulate the staggered and calm entry to the school building.

Each year group has an assembly once per week which focusses on a whole school theme. Senior and pastoral leaders, coupled with guest speakers, will deliver these over the course of an academic year. Once per term there is a house assembly which brings together pupils from Year 7-13 from the same house for a celebration of their collective and individual achievements.

There is a clear programme of assemblies in the Primary Phase.

Monday	Primary Phase assembly based on the values of Care, Challenge and Succeed. There is a different focus each week which have included: • Belonging • Black History Month • Perseverance • British Values • Kindness • Ramadan • International Women's Day • Vishal's First Holi • Resilience • Pride Month
Tuesday	A PSHE class assembly takes place on a Tuesday with protective behaviours being the main focus. Some of the other subjects covered are: • Firework safety • Anti-bullying Week • Road Safety • Online Safety • Safer Internet Week • Children's Mental Health Week • Sun Safety
Wednesday	Current Affairs assembly e.g. Newsround or discussion about a specific event
Thursday	Achievement Assembly Awards for: • Star of the Week • Hot Chocolate Friday • Reader of the Week • Times Tables Rock Star/Numbots • Character Culture – each term
Friday	• Singing Assembly

6.3 Positive Impact Centre (PIC):

The school has a dedicated centre for supporting pupils' wellbeing and mental health called the Positive Impact Centre. Staff will liaise proactively with parents to refer pupils for support from the following seven strands:

1. Peer mentoring
2. Wellbeing interventions
3. Tailored support following a suspension/period of absence/crisis
4. Counselling
5. Further mental health support

6. English as an additional language (EAL)
7. Alternate provision programmes

More details about PIC can be found on the school website:

Definitions of poor behaviour:

The following examples of misbehaviour, but by no means is this an exhaustive list, will result in a sanction, as follows:

Examples of misbehaviour:

- Poor behavioural decisions that break the school's classroom code of conduct
- Disruption in lessons, in corridors between lessons, and at break and lunchtimes
- Non-completion of classwork or homework
- Poor attitude
- Incorrect uniform / equipment
- Non-compliance
- Poor punctuality to school and lessons
- Failing report
- Being out of bounds
- Swearing
- Unruly behaviour

Please note; the likely outcome of a misbehaviour is the issuing of a behaviour point, a same day centralised detention, isolation or being placed on report. It is possible a pupil could be suspended or permanently excluded and this is at the Principal's discretion.

Examples of serious misbehaviour:

- Refusal to follow school rules
- Any form of bullying
- Sexual assault, which is any unwanted sexual behaviour that causes humiliation, pain, fear or intimidation
- Vandalism
- Theft
- Arson
- Supplying or misusing any illegal drugs or alcohol
- Fighting or any form of physical attack
- Smoking and Vaping
- Racist, sexist, homophobic or discriminatory behaviour - Hate Crimes
- Explicit swearing at a member of staff or another pupil
- Fighting
- Bullying
- Defiance
- Truancy

- Refusal to attend detention
- Consuming or bringing in alcohol
- Bringing illegal substances to school (and distributing them)
- Bringing a weapon to school
- Assaulting a member of staff
- Possession of any prohibited items, which include but are by no means exhaustive: Knives or weapons; alcohol or illegal drugs, stolen items, anything smoking or vape related, fireworks or pornographic images, any article a staff member reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the pupil)
- Inappropriate mobile phone use, including taking videos/pictures of staff/pupils, distributing videos/pictures of staff/pupils, upskirting, bullying, spreading malicious rumours, refusal to hand items over to staff when requested etc

Please note that a serious misbehaviour could result in a suspension or permanent exclusion and the decision will be made ultimately by the Principal.

8: Mobile Phone and Electronic Devices Use:

- Children found using mobile phones or electronic devices (including pen cameras) that are not for educational purposes will have their phone or electronic device (including headphones) confiscated.
- If parents have an emergency and need to contact their child, then they should do this by phoning or emailing the school reception. The school is then responsible for passing the message to the pupil. Similarly, if a pupil needs to contact home, then they can do so by going to reception before school, during morning break, lunchtime or after school.
- Pupils are not permitted, unless directed to by a teacher, to use their mobile phone in the school building.
- Post 16 pupils can use their mobile devices only in The Hub and the Upper Café area of the school.
- At no point should a pupil ever take a picture of a member of staff. The likely outcome is a suspension or permanent exclusion and the length of this suspension will be determined by the extent of the issue.
- Phones should be confiscated for the remainder of the week, including the weekend, and issued back to a pupil the following Monday (unless it is a Bank Holiday, then they will be issued on the Tuesday).
- All confiscated phones should be sent immediately to the Principal's PA.
- Where there are safeguarding concerns a school-based phone should be offered to a pupil.
- If a pupil refuses to hand a phone over then the pupil may be isolated. Parents should be notified and the phone still has to be confiscated.
- If a pupil persistently refuses to comply they need to be suspended.
- If a pupil has been suspended over phone use/a persistent refusal to comply with our phone policy the pupil still has to hand the phone over to the school following serving a suspension.
- At no point should any pupil bring a camera pen into school. These are not allowed on school premises. This is a pen that has video recording functionality.

- Pupils in Year 5 and 6, who walk to or from school alone, must seek consent to bring their phones to school. These are taken to the school office immediately and collected at the end of the day.

9: Lesson Removal and Isolation:

- A pupil should be isolated either for the lesson, half of the day or the whole day depending on the scale of the incident and if there are any contextual factors that we are aware of.
- When a pupil is isolated they should be based either inside or directly outside a pastoral or senior leader office, they can then be placed at the back of lessons.
- Refusal to comply with isolation will result in a suspension.

10: Reintegrating Pupils Following Suspensions:

There is a tiered approach, which looks as follows:

Reintegration 1: Assistant Director of Year (ADOY)/Director of Year (DOY)

Reintegration 2: DOY/AP

Reintegration 3: AP/VP

Reintegration 4: VP

Reintegration 5: Principal

11: Report Cycles:

Pupils should be placed on report as follows:

Stage 1: Tutor Report - There should be a clear communication home

Stage 2: ADOY/DOY Report – There should be a meeting with parents

Stage 3: AP Report – There should be a meeting with parents

Stage 4: VP Report – There should be a meeting with parents

Stage 5: Principal Report – There should be a meeting with parents

Visually this looks as follows:

12: Attendance:

The school targets all pupils to have 96% attendance or above across the academic year. Students are supported in their attendance through the processes and stages. Intervention and support strategies are in place depending on the attendance stage. This includes letters, attendance surgeries with pastoral staff, offers of an EHA (Early Help Assessment), parental contracts and if necessary referrals to the local authority. It is a parent's legal duty to make sure their child attends school and a parent is committing an offence if they fail to ensure their child attends regularly. Further details on attendance matters can be found through the attendance policy found on the school website.

13: Punctuality:

To school on any given day-

- **Arrival once Year Group line up has finished to 9:00 am:** 20-minute same-day detention
- **Arrival between 9:00 am and 9:30 am:** 40-minute same-day detention
- **Arrival between 9:30 am and 10:00 am:** 60-minute same-day detention
- **Arrival after 10:00 am:** 60 minute same-day detention plus a 90-minute Senior Leadership detention (Thursdays)

To school during any given week-

- The regularity of lateness to school during the course of the week / term will be reviewed daily. Repeatedly arriving to school late will result in an isolation including an SLT detention for 90 minutes.
- Ongoing repeated lateness will result in a suspension

Late to lesson:

- If a pupil is unacceptably late to lesson they will receive a behaviour point. Absence from lesson will result in matters escalating to truancy with the appropriate safeguarding interventions implemented

- Repeated lateness will result in a pupil being placed on report to monitor movement around the school

14: Homework:

- Failure to complete a piece of homework results in a 40-minute detention

15: Behaviour Points:

- If a pupil receives a behaviour point that is their warning for the day
- If a pupil receives 2 behaviour points or more in a day then they serve a 20-minute detention
- If a pupil receives 3 behaviour points or more in a day then they serve a 40-minute detention
- If a pupil receives 4 behaviour points or more in a day then they serve a 60-minute detention
- If a pupil receives 4 or more behaviour points in a week they should go on report
- If a pupil is in detention twice in a week they will also serve a 90-minute SLT detention

Behaviour points link to our classroom code of conduct and can also be issued for poor behavioural choices in the corridors, toilets and at break or lunchtime. The classroom code of conduct looks as follows:

16. Bullying:

Bullying – see anti bullying policy.

Child-on-child sexual violence and sexual harassment at The Duston School

Following any report of child-on-child sexual violence or sexual harassment offline or online, The Duston School follow the general safeguarding principles set out in Keeping children safe in education (KCSIE) - specifically Part 5. The designated safeguarding lead (or deputy) is the most appropriate person to advise on the school's initial response. Each incident will be considered on a case-by-case basis. In all aspects of our school, sexual violence and sexual harassment are never acceptable, this area of behaviour will not be tolerated and pupils whose behaviour falls below expectations will be sanctioned. We fully endorse all staff to challenge all inappropriate language and behaviour between pupils. The Duston School does not normalise sexually abusive language or behaviour by treating it as 'banter', an inevitable fact of life or an expected part of growing up. All staff and pupils advocate strenuously for high standards of conduct between pupils and staff; they will demonstrate and model manners, courtesy and dignified/respectful relationships. Where pupils fall short of these behaviour expectations, the appropriate sanctions will be sought. As a school we will respond assertively to sexually inappropriate behaviour. This is an important intervention that helps prevent challenging, abusive and/or violent behaviour in the future. We will ensure all victims are reassured they will be supported, kept safe, and are being taken seriously, regardless of how long it has taken them to come forward. Abuse that occurs online or outside of the school will not be downplayed and will be treated seriously. A victim at The Duston School will never be given the impression that they are creating a problem by reporting sexual violence or sexual harassment. Nor will a victim ever be made to feel ashamed for making a report or their experience minimised. In instances where reports of sexual abuse or harassment are proven to be deliberately invented or malicious, the school should consider whether any disciplinary action is appropriate for the individual as per our own behaviour policy.

Behaviour incidents online

The way in which pupils relate to one another online can have a significant impact on the culture at TDS. We recognise that negative interactions online can damage the school's culture and can lead to our school feeling an unsafe place. We acknowledge that behaviour issues online can be very difficult to manage given issues of anonymity, and online incidents occur both on and off the school premises. We are clear that even though the

online space differs in many ways, the same standards of behaviour are expected online as apply offline, and that everyone at The Duston School should be treated with kindness, respect and dignity. Inappropriate online behaviour including bullying, the use of inappropriate language, the soliciting and sharing of nude or semi-nude images and videos and sexual harassment will be addressed in accordance with the same principles as offline behaviour, including following the safeguarding policy and speaking to the designated safeguarding lead (or deputy) when an incident is raised. When an incident involves nude or semi-nude images and/or videos, the member of staff will refer the incident to the designated safeguarding lead (or deputy) as the most appropriate person to advise on the correct response. Handling such reports or concerns can be especially complicated and we follow the principles as set out in Keeping children safe in education. The Duston School acknowledges that many online behaviour incidents amongst young people occur outside of the school day and off the school premises. Parents are responsible for this behaviour outside of school and accessing online content. However, often incidents that occur online will affect the school culture. We will sanction pupils when their behaviour online poses a threat or causes harm to another pupil.

17: Expected Equipment:

The school has an expectation that pupils are fully equipped and ready for all lessons. Within normal school lessons the minimum expectation for pupil equipment is:

Years 7 – 11 – A school bookbag with:

1. Pencil case containing two black pens, one green pen, one pencil, one rubber and one ruler
2. Knowledge Organisers for the current day as provided by class teachers
3. School PE kit in line with school uniform policy, contained in a drawstring PE kit bag

New pencil cases and replenished equipment supplies will be provided at the start of each academic year and at the start of the spring and summer term. School bags, pencil cases and Knowledge Organisers, in the first instance, will be issued by the school. Outside of these times pupils are responsible for maintaining their own equipment.

Children who are pupil premium can request additional resources to be provided through pp@thedustonschool.org in accordance with pupil financial allocations.

If pupils fail to meet the minimum pupil expectation for equipment then a behaviour point may be awarded.

18: Uniform Policy:

The Duston School uniform is integral to our approach. Pupils should wear their uniform with pride, signifying that they are ready to learn. Our uniform approach promotes inclusivity and supports our purposeful learning environment. It is one of the outward signs by which the local community recognises and makes judgments about the pupils. It is important for pupils and the school that the way pupils present themselves is positive and acceptable and supports a well ordered and smart establishment. We aim to work in close partnership with parents to support positive behaviour choices. To encourage children to make the correct behaviour choices, we will support children by building positive relationships with them, using smiles, positive body language, the use of praise and awarding house points.

19.5 We aim to encourage outstanding behaviour for learning in school by:

Children will learn about these behaviours and why they are not acceptable at The Duston School. These be will displayed around the school. Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power. Types of bullying include: emotional, physical, racial, sexual, verbal and online.

Sanctions:

Occasionally positive praise may not be enough and sanctions may be deemed to be necessary. Consequences will be discussed with the children and displayed around the school. Sanctions will be used consistently and fairly.

19.8 STUDENT CARE MODEL:

Stage 1 (Level 2): Class teacher calls home, 5-day report, notifies Phase Leader of concern.

Stage 2 (Level 2): Parent meeting with the **Class Teacher** and **Phase Leader**, a further 5-day report, notifies DHT/HT.

Stage 3 (Level 3) DHT/HT parent meeting with **Class Teacher**, a further 5-day report. HT to then decide on possible further action e.g. Suspension

Stage 4: Principal – If any primary child reaches this point, this means that a suspension or managed move is being considered.

19.9 Physical Restraint:

In some exceptional circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- Always be used as a last resort
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents

19.10 Suspensions / Exclusions:

In very rare cases it may be necessary to suspend a child for a period of time. A fixed term suspension may be used for a one-off breach (or persistent breaches) of the school's Behaviour Policy. A Permanent Exclusion will only happen in response to a serious one-off breach or persistent breaches of the school's Behaviour Policy and will only be used as a last resort after all other possible avenues have been explored. Suspension and exclusion would be carried out in accordance with LA guidance and reported to the Local Authority. This would also be recorded in the child's confidential pupil profile along with further details of the incident. Very careful arrangements will be made to ensure that any child returning to school after a period of suspension is helped to behave appropriately.

20. Roles and responsibilities:

20.1 The Trust Board:

The Trust Board is responsible for monitoring this behaviour policy's effectiveness and holding the Principal to account for its implementation.

20.2 The Principal:

The Principal is responsible for reviewing and approving this behaviour policy. The Principal will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently.

20.3 Staff:

Staff are responsible for:

- Implementing the behaviour policy and promoting the strategies within the student care model consistently
- Modelling positive behaviour

- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording behaviour incidents

The senior leadership team will support staff in responding to behaviour incidents.

20.4 Parents:

Parents are expected to:

- Support their child in adhering to the pupil code of conduct
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the tutor promptly

21: Off-site behaviour:

The school will apply sanctions within this policy for behaviour that takes place outside of school premises where it is reasonable to do so.

When deciding whether it would be reasonable to impose a sanction for poor behaviour outside of the school staff will consider:

- Whether the pupil is taking part in any school-organised or academy-related activity, travelling to or from the school, wearing school uniform or is in some other way identifiable as a pupil at the school at the time of the poor behaviour; and/or - the severity of the misbehaviour,
- Whether the pupil's behaviour could have repercussions for the orderly running of the school,
- Whether the behaviour poses a threat to another pupil or member of the public or could adversely affect the reputation of the school and/or Trust.

22: Malicious allegations:

Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the Principal will address the behaviour in accordance with this policy. The Principal will also consider the pastoral needs of staff accused of misconduct.

23: Behaviour management:

23.1 Classroom management:

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom. Staff may use any of the following points however this is an exhaustive list:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the whole school expectation within their classroom
- The member of staff has planned the lesson appropriately to support all learners
- The member of staff has communicated any concerns around previous behaviour to the tutor who has then communicated with parents / carers via phone call, email exchange or meeting
- The member of staff has asked for support and guidance from their department / area of the school they are working
- The member of staff has asked for support and guidance from the pastoral team – tutor / ADoY / DoY and SLT
- The member of staff has deployed other adults in the room appropriately

- The member of staff has used prior attainment / student data for lesson planning / dealing with a follow up to an incident (outside of lesson)
- The member of staff has used the SEND / PP passport to support
- The member of staff has asked the student to move seats within the class
- The member of staff has spoken to the student in a personalised way (one to one discussion) either prior to or during the lesson / in corridor
- The member of staff has used encouragement and / or praise
- The member of staff has applied the de-escalation method to defuse the situation
- The member of staff has asked the student to stand outside of the classroom for a couple of minutes (no longer than 5 minutes) to help defuse the situation
- The member of staff has reminded the student of their report targets (if applicable)

23.2 Physical restraint:

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents

24: Confiscation and Contraband:

In line with DfE guidance [Searching and Screening](#) TDS staff can search a pupil for any item that falls under the DfE's prohibited list such as knives, weapons, alcohol, illegal drugs, stolen items and any article that the TDS member of staff reasonably suspects has been, or is likely to be used to commit an offence or cause personal injury to someone, themselves or school property. The reason behind the search will be made clear to the pupil. Any prohibited items found in a pupils' possession will be confiscated. These items will not be returned to the pupil. The school will also confiscate any item which is harmful or detrimental to the school. These items may not be returned to pupils after discussion with senior leaders and parents. The appropriate location, correct staffing and clear communication will be used during the search. No strip searches will take place.

Searching and screening pupils is conducted in line with the DfE's latest guidance on searching, screening and confiscation. Any search must be conducted by a member of staff of the same sex as the pupil in the presence of another member of staff. A member of staff can only carry out a search of a pupil of the opposite sex and/or without a witness present, where the member of staff reasonably believes that there is a risk that serious harm will be caused to a person if they do not conduct the search immediately and where it is not reasonably practicable to summon another member of staff. Staff will keep a record of any searches conducted on pupils. Senior Staff / Designated Safeguarding Staff may seize an electronic device to examine any data or files on the

device if they think there is good reason to do so. These data or files may be erased before returning the item if they believe there is good reason to do this. Police involvement may also be involved.

In line with screening guidance [Searching and Screening](#) TDS staff can use a hand-held metal detector (arch or wand) to scan pupils for prohibited items before they enter the school premises or whilst on school premises. TDS will regularly liaise with the local police regarding the use of a metal detector arch within the school.

If a pupil refuses to cooperate, the behaviour policy will be applied.

25: Pupil support:

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil. The school's special educational needs coordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs. In order to support students' misbehaviour a structured approach to intervention is in place

Stage 1: Tutor – Calls home, report, notifies DOY of student concern, letter home

Stage 2: DOY – Face-to-face with parent (DOY and tutor), report, notifies SLT lead, student can be placed in after-school DOY detention or isolation, letter home

Stage 3: Assistant Principal – Notifies School Attendance Support Officer, Face-to-face with parent (Tutor, DOY and AP), report, notify Vice Principal of issues, student can be placed in isolation or SLT detention, letter home

Stage 4: Vice Principal – Notifies EIPT, Face-to-face with parent (Tutor, DOY and AP), report, notify Principal of issues, student can be placed in isolation or SLT detention, letter home

Stage 5: Principal – Notifies EIPT, meeting with parent (DOY, AP and Principal), Principal report, student can be placed in isolation with Principal, SLT detention, suspension or managed move When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis

26: SEN:

We consistently promote an inclusive culture with high standards of behaviour and provide support to ensure that all students can achieve. Our expectations create a calm and purposeful environment which benefits all pupils, including those with SEND.

We use the graduated approach of assess, plan, deliver and review (APDR) to ensure the appropriate support is provided.

Staff at The Duston School receive frequent training for managing, identifying, supporting and deescalating behaviours.

Both the primary and secondary phase have clear and consistent behaviour expectations for all children, including those with SEND. However, we aim to consider the unique needs of each individual pupil and provide appropriate support to help them meet these expectations.

27: Investigations:

Initial investigations of minor infractions of the policy may be carried out by a member of staff/teacher on their own. Further investigations or initial investigations of more serious offences must be carried out by two staff together. Secondary age pupils who have witnessed the behaviour will be asked to provide written, signed and dated statements. Primary aged pupils who have witnessed the behaviour may be asked provide a written account or may be asked to describe to staff what they saw and the member of staff will make a note of the response. Any questions raised by staff will be open and non-leading. If the police wish to question the pupil, the school will ensure that a responsible adult is present at all times and will inform the pupil's parents of what has happened as soon as possible. [The School uses Close Circuit Television ("CCTV") within its premises. One reason why the School uses CCTV is to provide a safe and secure environment for pupils, staff and visitors. If behavioural incidents are recorded on CCTV the footage may be viewed as part of the investigation and the content considered before imposing a sanction. Please see the School's CCTV policy and privacy notices for more information.] When more than one pupil is involved in an incident and the interpretations of an event differ, then every effort will be made to try to find the truth. If this still remains unclear, then the staff members involved will use their professional judgement to come to a conclusion on the balance of probabilities. In exceptional circumstances, pupils may receive a fixed term suspension pending an investigation, as a neutral act, if there is a possibility that the welfare of other pupils may be compromised by that pupil remaining in the academy. 9. Pupil transition to ensure a smooth transition from primary to secondary school pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings. To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools.

28: Training:

Our staff are provided with training on managing behaviour, including proper use of restraint, as part of their induction process, this can be accessed through the CPD / Twilight sessions, briefings and or faculty meetings.

29: Monitoring arrangements:

This behaviour policy will be reviewed by the Principal and the governing body every year.

30: Links with other policies:

This behaviour policy is linked to the following policies:

- Safeguarding policy
- SEND policy
- Anti-bullying policy
