

## AS Media Studies Summer work – Deadline: 8-12<sup>th</sup> September 2026

- You must take between 50 and 100 photographs over the summer. **You will put all of these onto a PowerPoint Presentation that you will submit your teacher in the first week of lessons.** Label each slide (e.g slide 1 will be male – you can have more than one slide per category):

| Photograph of: | Number of photographs required                                                                                                                                                                                                  |
|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Male           | 10 images in different poses – <b>at least 2</b> different costumes; at least 3 settings                                                                                                                                        |
| Female         | 10 images in different poses – <b>at least 2</b> different costumes; at least 3 settings                                                                                                                                        |
| Objects        | 10 images of objects in a range of camera shots, e.g. a close up of a watch face, jewellery, make up brushes, paint brushes, paint, an insect, a flower, clothing, shoes, (come up with your own interesting ideas for photos!) |
| Settings       | 10 images – e.g. fields, buildings, flowers, clouds, a living room, inside, outside                                                                                                                                             |
| Vehicles       | 10 images – e.g. cars, bicycles, baby vehicles, toys, motorbikes, scooters                                                                                                                                                      |

- Using [Canva](https://www.canva.com/templates/?query=magazine-cover), create your own **magazine cover** using one of the covers below as inspiration. Copy the layout and photograph **exactly** making sure that you **take your own photo**. **Include the cover that you have chosen when you submit your summer work**  
<https://www.canva.com/templates/?query=magazine-cover>

**You may choose your own cover for inspiration if you wish but you will need to send it to us with the cover that you have created.**
