Dear Parents, Guardians and Pupils,

Please be advised that Ofqual, The **Office of Qualifications and Examinations Regulation** body which regulates qualifications, examinations and assessments in England, has now issued guidance to all schools and colleges outlining how GCSE, AS and A Level grades will be allocated this summer. The two web links below will take you to two key documents, which detail in full how the system will work this academic year. Please be advised that the school cannot release its centre assessment grades to parents, guardians or pupils. Can I therefore politely ask that you do not make requests of the school to share this information.

I appreciate fully that the entire situation surrounding the allocation of grades this summer has worried all parents and pupils. As a school we are working within the parameters as set for us and we will do all we can to ensure that none of our pupils are disadvantaged.

Yours faithfully,

Mr S Strickland
Principal
