Dear Parents/Guardians,

I am delighted to advise you that The Duston School has won three SSAT Educational Outcomes Awards. These awards are for the following:

- Key Stage 4 GCSE Progress
- Key Stage 5 Vocational Progress
- Key Stage 5 Academic Progress

I am humbled that The Duston School was awarded these three highly prestigious accolades. As a school we are now the 10th highest performing school in the entire authority for our GCSE outcomes and in the top 30 most improved schools in the whole country. Our Post 16 outcomes now place the school as the highest performing Post 16 provider in Northamptonshire and we are placed in the top 5% of all schools in the country, with 5 subjects in the top 1%. Against all schools, The Duston School sits in 55th place nationally for its Post 16 academic outcomes, which is truly incredible.

I thank the whole community for your support.

Yours faithfully,

Mr Strickland
