

Our Ref: SST/HBr

Wednesday 1st April 2020

Dear Parents/Guardians,

I would like to remind you that your son/daughter should be undertaking school work whilst the school is closed. Institutionally we have provided pupils with the following:

- Knowledge organisers
- Workbooks for Year 10
- Reading lists
- Literacy work
- A homework pack
- A plethora of online learning platforms
- Revision materials for Year 11/12/13 pupils

In addition to the above every subject area has its own bespoke approach to supporting our pupils in these highly difficult circumstances.

I would recommend that pupils broadly follow their school timetable, working between 09.00 and 15.00 every day. If pupils are stuck for work then I would highly recommend that they refer to the reading lists contained within the knowledge organisers and undertake wider reading. For those pupils considering going to university in the future a key question admission tutors will no doubt ask is 'how did they further enrich their love of learning and their love for their subject' during the national school closure phase.

I hope that you all take extremely good care in these difficult and testing times.

Yours faithfully,

Mr Strickland
