Dear Year 10 Parents/Guardians,

### **Uniform Expectations For June/July 2020**

I am writing to update you on the uniform expectations that will be in place for Year 10 pupils as they return to school on the 8<sup>th</sup> June. It is highly advisable that all pupils wear clothing that can be washed easily as soon as they come home. A key recommendation that was circulated to NHS staff at the onset of the Covid-19 crisis was that hospital workers should wash their clothes daily. I have advised the staff of this and, whilst I cannot insist, I am recommending that Year 10 pupils get into the habit of doing the same once they have attended school. One item of clothing that is perhaps not so easy to wash is the school blazer. Therefore, there is no expectation that pupils will wear this when they attend school in June and July. Pupils will need to wear the rest of their uniform, which can be easily washed.

Yours faithfully,

Mr Strickland
