

## Annex to the Home Visit Policy & Procedure: Response to Covid-19

During the national pandemic caused by Covid-19 the following procedures must be followed by staff carrying out home visits, in addition to the procedures set out in the main home visit policy.

Staff must:

- Drive separately to the pupil's house.
- Wear a face mask or visor.
- Use hand sanitizer before and after knocking on the door or handing anything to the family.
- Maintain social distance from other staff and the family.
