.....

1. Aims

This policy aims to:

- Explain **how to apply** for a place at the school
- Set out the school's **arrangements for allocating places to the pupils** who apply
- Explain **how to appeal** against a decision not to offer your child a place

2. Legislation and statutory requirements

This policy is based on the following advice from the Department for Education (DfE):

- [School Admissions Code](#)
- [School Admission Appeals Code](#)

The school is required to comply with these codes, and with the law relating to admissions as set out in the [School Standards and Framework Act 1998](#).

As an academy, the school is required by its funding agreement to comply with these codes, and with the law relating to admissions as set out in the [School Standards and Framework Act 1998](#).

3. Definitions

The **normal admissions round** is the period during which parents can apply for state-funded school places at the school's normal point of entry, using the common application form provided by their home local authority.

Looked after children are children who, at the time of making an application to a school, are:

- In the care of a local authority, or
- Being provided with accommodation by a local authority in exercise of its social services functions

Previously looked after children are children who were looked after, but ceased to be so because they:

- Were adopted under the Adoption Act 1976 or the Adoption and Children Act 2002, or
- Became subject to a child arrangements order, or
- Became subject to a special guardianship order

A child's **home address** will be considered to be where he/she is resident for the majority of nights in a normal school week.

A child reaches **compulsory school age** on the prescribed day following his or her fifth birthday (or on his or her fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August.

4. How to apply

For applications in the normal admissions round you should use the application form provided by your home local authority (regardless of which local authority the schools are in). You can use this form to express your preference for a minimum of 3 state-funded schools, in rank order.

You will receive an offer for a school place directly from your local authority.

5. Requests for admission outside the normal age group

Parents are entitled to request a place for their child outside of their normal age group and should put their request in writing to the school.

Decisions on requests for admission outside the normal age group will be made on the basis of the circumstances of each case and in the best interests of the child concerned. In accordance with the School Admissions Code, this will include taking account of:

- Parents' views
- Information about the child's academic, social and emotional development
- Where relevant, their medical history and the views of a medical professional
- Whether they have previously been educated out of their normal age group
- Whether they may naturally have fallen into a lower age group if it were not for being born prematurely
- The headteacher's views

Wherever possible, requests for admission outside a child's normal age group will be processed as part of the main admissions round. They will be considered on the basis of the admission arrangements laid out in this policy, including the oversubscription criteria listed in section 6. Applications will not be treated as a lower priority if parents have made a request for a child to be admitted outside the normal age group.

Parents will always be informed of the reasons for any decision on the year group a child should be admitted to. Parents do not have a right to appeal if they are offered a place at the school but it is not in their preferred age group.

6. Allocation of places

6.1 Admission number

The school has an agreed admission number of 60 pupils for entry in Reception.

6.2 Oversubscription criteria

All children whose statement of special educational needs (SEN) or education, health and care (EHC) plan names the school will be admitted before any other places are allocated.

If the school is not oversubscribed, all applicants will be offered a place.

In the event that the school receives more applications than the number of places it has available, places will be given to those children who meet any of the criteria set out below, in order until all places are filled.

1. Highest priority will be given to Looked after children and all previously looked after children who apply for a place at the school.
2. Priority will next be given to children of staff at the school, in either of the following circumstances:
 - a) The member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, or
 - b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage
3. Priority will next be given to children with siblings at the time of submitting an application for the younger child. Siblings include step siblings, foster siblings, adopted siblings and other children living permanently at the same address. Priority will not be given to children with siblings who are former pupils of the school.
4. Pupils who live in the area defined at NN5 4 and NN5 6.
5. Pupils who live in the area defined as NN5 5, NN5 7 and NN5 9.
6. All other pupils.

6.3 Tie break

In the case of 2 or more applications that cannot be separated by the oversubscription criteria outlined above, the school will use the distance between the school and a child's home as a tie breaker to decide between applicants. Priority will be given to children who live closest to the school. Distance will be measured in a straight line from the child's home address to the address point of the school.

Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified.

6.5 Children below compulsory school age

Where children below compulsory school age are offered a place at the school, they will be entitled to attend the school full-time in the September following their fourth birthday.

Parents may defer their child's entry to the school until later in the school year but not beyond the point at which the child reaches compulsory school age, and not beyond the beginning of the final term of the school year the offer was made for.

Where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

7. In-year admissions

You can apply for a place for your child at any time outside the normal admissions round. As is the case in the normal admissions round, all children whose statement of SEN or EHC plan names the school will be admitted.

Likewise, if there are spaces available in the year group you are applying for and we can meet your child's educational needs, then your child will always be offered a place.

Applications for in-year admissions should be made directly to the Northampton Local Council on the approved form and also via the application form found on The Duston School at <https://www.thedustonschool.org/page/?title=Admissions&pid=61>.

8. Waiting List

The school will maintain a waiting list until at least 31 December of each school year of admission. If there are no spaces available at the time of your application, your child's name will be added to a waiting list for the relevant year group. When a space becomes available it will be filled by one of the pupils on the waiting list in accordance with the oversubscription criteria listed in section 6.2 of this policy. Priority will not be given to children on the basis that they have been on the waiting list the longest.

9. Appeals

If your child's application for a place at the school is unsuccessful, you will be informed why admission was refused and given information about the process for hearing appeals. Information on how to appeal is available on the Northamptonshire County Council website. To appeal for a school place or for information on the appeals process please visit www.northamptonshire.gov.uk/appeals

You can find details of the school's appeals timetable on the following webpage; www.thedustonschool.org

10. Monitoring arrangements

This policy will be reviewed and approved by the governing board every year.

Whenever changes to admission arrangements are proposed (except where the change is an increase to the agreed admission number), the governing board will publicly consult on these changes.

11. Requests for admission outside the normal age group (Summer Born)

Whilst all children are entitled to a full time school place in the September following their 4th birthday and most parents are happy for their child to start school at this point, parent(s)/carer(s) of summer born children (those born between 1 April and 31 August) who do not reach compulsory school age until a full year after they would normally start school, may wish to delay their child's start to school until the September following their 5th birthday.

If parents wish to delay their summer born child's school start until the September following their 5th birthday, there are 2 options:

1. Parents can make an in-year application for a place for the September following their child's 5th birthday. The child would normally start school in **Year 1** (their correct chronological age group) as other children in the child's age group already attending school will be moving from Reception to Year 1 at this point. It is important to remember that some schools are likely to be full and they may be unable to offer a place;
2. If parents do not want their child to miss their Reception year, they may request that children are admitted out of their normal age group i.e. into Reception instead of Year 1. Please note, this is a 'request' and parents do not have the right to insist that their child is admitted to a particular age group. The school's admission authority is responsible for making the decision about which year group a child should be admitted to.

Parents/carers of summer born children who could start school in September 2022, but wish to delay their child's school start and apply for a Reception place to start in September 2023 should still make their application for a Reception place for their child's normal year of entry before the primary application deadline. If a delay is agreed, this application can be withdrawn;

Parent/carers should also, if possible, make their request for admission out of the normal age group to their preferred schools by the same date. This is to enable sufficient time for requests to be processed prior to National Offer Day. Requests will however still be considered after this date.

Parents/carers wanting to request that they be able to apply for a Reception place at The Duston School Primary for the September following their child's 5th birthday, should write to the school in the first instance. In their request, parents/carers should provide some information about their child to explain why they think that their child should be educated out of their normal age group. It is important for parents/carers to provide any additional evidence to support their request as this information will help the admission authority to make their decision e.g. parents/carers may be able to provide a report from the child's Early Years setting or evidence from a health or social care professional.

The request will then be considered by our admission authority, the governing body, who will then make a decision on the basis of the circumstances of each case and in the best interests of the child concerned. The School Admissions Code requires admission authorities to consider a number of factors:

- the parent's/carer's views;
- information about the child's academic, social and emotional development;
- where relevant, the child's medical history and the views of a medical professional;
- whether the child may naturally have fallen into a lower age group if it were not for being born prematurely;
- the Head teacher's views.

What happens next?

Parents/carers will be informed of the admission authority's decision on the year group the child should be admitted to when they start school (i.e. Reception or Year 1) and will set out clearly the reasons for their decision.

If the request is approved:

If the request to be admitted outside normal age group is **approved** by the admission authority of the school, parents/carers will need to forward this approval to School Admissions at NCC so an application can be accepted in the normal admission round for the September following the child's 5th birthday.

Parent(s)/carer(s) will then need to make an application for a place in Reception for the normal round of admissions in the following academic year.

Please note – this does not mean a child has been, or will be, offered a place in the Reception year at their chosen school. If, in this following normal admissions round, the school is oversubscribed, all applications (including delayed applications) for the school will be ranked in accordance with the school's oversubscription admission criteria.

If the request is rejected:

If the request to be admitted outside normal age group is **rejected** by the admission authority of the school, parents/carers have to decide whether to accept a Reception place in the normal year of entry or delay their child's start until the September after their 5th birthday and apply for a Year 1 place.

If parents/carers are unhappy with the admission authority's decision to refuse their child a place out of their normal age group, complaints should be made directly to the admission authority.

Parents/carers whose requests for delayed entry into Reception are refused, have no statutory right to appeal this decision as the purpose of the appeals process is to consider whether a child should be admitted to a particular school, not the year group into which they should be admitted.
