

Maths Remote Learning Summer 2021 – Year 6

Area	Resources
Arithmetic Times Tables	<p>It is crucial that children keep up with rehearsing their arithmetic skills. In the resources folder, you will find some arithmetic tests to have a go at. Year 6 times tables sheets (mixed sheets for times table practice).</p> <p>TT Rockstars - https://trockstars.com/</p> <p>It is important to keep rehearsing your times tables. They are used for many areas of mathematics and their instant recall will really help you to access harder mathematical concepts. Ask someone to test you regularly. https://www.topmarks.co.uk/maths-games/hit-the-button</p> <p>Games - https://www.topmarks.co.uk/maths-games/7-11-years/times-tables Problem-solving games - https://www.topmarks.co.uk/maths-games/7-11-years/problem-solving</p>
Easimaths	<p>www.rmeasimaths.com.</p> <p>This is new version of RM Easimaths. Please complete 3-5 times per week.</p>
Angles	<p>A series of lessons on angles: https://classroom.thenational.academy/units/missing-angles-and-lengths-84fdA</p> <p>There is a worksheet on angles in the folder. It does require the use of a protractor.</p>
2d and 3d shapes	<p>Revise shape, perimeter and area using this series of lessons from Oak National Academy. https://classroom.thenational.academy/units/2-d-shape-perimeter-and-area-9929</p> <p>I have put a knowledge organiser on 3d shapes with some information on which you might find helpful.</p> <p>There are some tables for you to complete as well so that you can rehearse your shape knowledge.</p>
Statistics	<p>I would like you to complete lessons 6-10 of the lessons from the Oak National Academy strand on statistics. https://classroom.thenational.academy/units/percentages-and-statistics-fd0a</p> <p>In the folder, you will find some resources on statistics for you to have a go at, including some SATs questions.</p>
Reasoning	<p>There is a reasoning SATs-style paper in the folder for you to use both to rehearse your reasoning skills and to become more familiar with the type of questions you would be asked in a test.</p>
Arithmetic	<p>I have put some arithmetic tests in the folder for you to have a go at.</p>
Revision	<p>Use your CGP books to revise any areas of mathematics which you are unsure of. As you are almost in Year 7, it is important to be aware of any gaps you may have and to use your initiative and to try and find out about concepts you are less confident with.</p>
