PHSE / transition	<p>https://www.bbc.co.uk/bitesize/tags/zh4wy9q/starting-secondary-school/1 This is a link to a webpage from the BBC and there are lots of videos about starting secondary school. It would be good for you to spend some time exploring these videos. Being prepared for a change always helps to lessen any worries. Now that you are becoming more independent, here are a series of short lessons on keeping safe in different scenarios. https://classroom.thenational.academy/units/keeping-safe-2054 This term, we are thinking about our identities. Complete the poster all about yourself.</p>
Computing	<p>Make a presentation (using Powerpoint or similar) for our current year 5s explaining to them what it is like to be in Year 6. Use sounds, pictures and transitions to make the slide show more fun and accessible. You could include: work, SATs, transition to secondary school, being role models for the other pupils, behaviour expectations, homework etc. You may also like to find out about how to make a quiz. Use this series of lesson from Oak National Academy. You could make a quiz about Year 6 or about a topic which we have studied which has been particularly enjoyable for you. https://classroom.thenational.academy/units/selection-in-quizzes-daad</p>
Art / DT Cookery	<p>At school, we are exploring how to prepare sweet treats for our end of year celebrations. Use this series of lessons from Oak National Academy to design your own dish and make it. https://classroom.thenational.academy/units/cooking-and-nutrition-celebrating-culture-and-seasonality-4416</p>
Textiles	<p>In the folder, you will find a presentation about food hygiene. Alongside this is a short booklet with some activities on food hygiene when cooking.
