Dear Parent/Guardian,

With the warmer weather hopefully now arriving, we are reminding all students of the expectation of the TDS Sixth Form dress code. Unfortunately in a few cases this has slipped in recent weeks. All sixth formers should be dressed in smart office attire. We will be reminding all students in assembly today that the following are not part of the school dress code:

- Short skirts – Skirts should be a maximum of one credit card length above the knee. Skirts that ride up throughout the day should not be worn.
- Jumpers with large logos across the front.
- Polo shirts.
- Strappy tops where tops of arms are not covered.
- Leggings.
- Trainers or converse style shoes. Shoes worn should be polishable.
- Leather or denim clothing.
- Crop tops.

If students come in to sixth form wearing any of the above, in the first instance, tutors will be speaking to students and emailing home. If this occurs a second time, we will be sending students home to change to more appropriate clothing.

As always, we thank you for your support in this matter.

Kind regards

Mrs Montagu
Vice Principal KS5
Head of Sixth Form

Mr S Strickland - Principal - BA (Hons), MA, NPQH
