

**Key Knowledge:**

**What is Mandawa's climate?**

Mandawa has a tropical desert climate, meaning it is very hot during the Summer and very cold during the Winter.

**What different human features does Mandawa have?**

Mandawa has many human features in it's town, including a police station, an archaeological museum, a hospital and lots of restaurants. It also has shops, various primary and secondary schools and farms too.

**What different physical features does Mandawa have?**

Mandawa is built around lots of fields with trees growing in clumps within these. The trees are not close enough together for them to count as a forest.

**Diagrams or Maps:**

**Key Vocabulary:**

<b>Northampton</b>	A large market town in Northamptonshire, which is part of the East Midlands. The town where our school is.
<b>Mandawa</b>	Mandawa is a town in the Jhunjhunu district of Rajasthan in India.
<b>weather</b>	Weather is the daily state of the atmosphere. It includes temperature, as well as what the weather conditions are.
<b>climate</b>	The weather conditions in an area or place over time, these then create a climate for that area.
