Dear Parents/Guardians,

**Re: Children in Need**

I do hope you are well and staying safe. Sadly since my previous communication regarding Children in Need we have seen a number of pupils having to self-isolate. With this in mind it has been decided that the competition element attached to tomorrow's fund raising event will be suspended. Instead we will continue to collect money for the charity and have a running total for the school. Any contribution that can be given at this incredibly uncertain and challenging time for us all would be hugely and gratefully appreciated.

Yours sincerely

Mr Strickland  
**Principal**
