Dear Parents/Guardians,

**Re: Department for Education update**

Please be advised that the Department for Education have updated their guidance for parents and carers on [what they need to know about early years providers, schools and colleges during the coronavirus \(COVID-19\) outbreak](#). This update provides information on the national restrictions that came into force on 5 November, the latest advice for clinically extremely vulnerable children and young people and advice on the use of face coverings in education settings.

Yours faithfully,

Mr Strickland

Principal
