

Our Ref: SST/ HBr

Tuesday 1st December 2020

Dear Parents/Guardians,

Please be advised that the national weather forecast predicts that there will be snow as of the 3rd December and that this may last for a sustained period of time over the course of the month. I can only hope that this forecast proves to be inaccurate. However, should there be a need to close the school we will endeavour to contact you via the following channels:

- Email
- The Duston School website
- Parentpay Text message
- LA Website
- Heart Radio

Please also be advised that all pupils will be set remote learning via Microsoft Teams to complete whilst at home should there be an enforced closure due to snow.

I would also like to draw your attention to the latest Department for Education Covid-19 guidance for parents, which can be found via the following link [What parents and carers need to know about early years providers, schools and colleges in the autumn term - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/what-parents-and-carers-need-to-know-about-early-years-providers-schools-and-colleges-in-the-autumn-term)

Take good care.

Yours faithfully,

Mr Strickland

Mr S Strickland - Principal - BA (Hons), MA, NPQH
