Dear Parents / Guardians,

**Re: National Survey of Children and Parents – The Big Ask**

The new Children’s Commissioner for England, Dame Rachel de Souza, has today launched [The Big Ask](#) – the largest ever consultation with children aged 4 to 17 in England. It aims to find out children’s concerns and aspirations about the future, so the government can put children at the heart of our country’s recovery from the coronavirus (COVID-19) outbreak.

All pupils aged 4 to 17 are encouraged to [complete this survey](#). Parents, care leavers and those working with children are also invited [to complete the adult survey](#) to share their views about the future for children and young people today, and what they think is holding young people back.

The results from this survey will help the Children’s Commissioner identify the barriers preventing children from reaching their potential, put forward solutions and set ambitious goals for the country to achieve.

Yours faithfully,

Mr Strickland  
Principal
