Dear Parent/Guardian,

Please can we draw your attention to the document that can be found in the link below, provided from JCQ (Joint Council for Qualifications) and targeted at students, parents and guardians. This documents outlines the timeline for the next few months regarding the collation and production of teacher assessed grades, as well detailing future steps if an appeals process is needed for any awarded grade. As with all previous appeals of awarded grades, please note that this will require written confirmation from the student and, as always, grades can both be moderated up and down.

Please can you also be aware of the two key dates below for this summer's results days:

- AS and A Level students will receive their results on Tuesday 10 August 2021.
- GCSE students will receive their results on Thursday 12 August 2021.

Sixth form enrolment will also be taking place on the same day as GCSE results day, more details will follow in due course.
