Reminder

Virtual University and Careers Event

Friday 19th and Saturday 20th March 2021

Dear Parent/Guardian,

Please, find below a link to an event for universities and careers called ‘**What University Live?**’ and ‘**What Career Live?**’

These virtual events are provided in order to inform students of what decisions they may need to make about universities in future and also give an idea as to what careers they may be considering beyond TDS.

The first link below is information about the event itself, including career providers and the universities that will be in attendance.

The second link is the sign up page for the event. You will need to sign your son or daughter up to this event in order for them to access it.

The event is free but you must ensure that you sign up, beforehand.

We do hope that as many students as possible have the opportunity to access this event and that they find it rewarding and informative.

Thank you very much for your continued support.

Link one (event information):

<https://www.whatcareerlive.co.uk/>

Link two (sign up information):
