Dear Parents/Guardians,

Re: Travelling To and From School

I do hope that you are well and staying safe. In light of non-essential businesses re-opening it is highly likely that the roads will become busier over the next few weeks. With this in mind please do consider the following:

- If you live a short distance from the school please do walk, cycle or scoot to and from school wherever it is possible and safe to do so
- Please avoid sharing a car with anyone outside of your household or support bubble
- If you are using public transport to get to school then please plan ahead and allow more time for your journey and please do not forget to:
- Wear a face covering (unless you are exempt – including if you are aged 11 and under). It is important you wear them for the entirety of your journey, including inside a bus or train station
- Socially distance where possible
- Wash or sanitise your hands regularly
- Be considerate to fellow passengers and staff

Yours faithfully,

Mr Strickland

Principal
