Dear Parents/Guardians,

Please be advised that The Duston School is set to receive an Ofsted monitoring visit tomorrow. The purpose of this visit is to determine whether we are making sufficient progress to become a good school at our next full inspection. As part of this monitoring visit Ofsted would like your views on the school and there is a survey that we would welcome your completing. The following is directly from Ofsted:

'Ofsted is inspecting your child's school and we would like to know what you think about the school. Your views about the school are important to us.

If you are a registered parent or carer of a pupil at the school (including pupils on sick leave or who are temporarily excluded), you can tell us your views about the school by completing Ofsted's online survey, Ofsted Parent View, at: www.parentview.ofsted.gov.uk.

Ofsted Parent View asks for your opinion on some aspects of your child's school, including the progress made by your child, the quality of teaching, how the school deals with bullying and poor behaviour. It also provides a free-text box for you to make additional comments, if you wish. The inspectors will use the online survey responses when inspecting your child's school.

To register your views, you will need to provide your email address, which will be held securely. It will not be used for any purpose other than providing access to the online survey. Neither schools nor Ofsted will have access to any email addresses.

Please complete the online survey as soon as possible, preferably by 11am on the day of the inspection, as this will give the inspection team more time to consider your views.'

I thank you in anticipation of your support with the parent view survey.

Yours faithfully,

Mr Strickland
Principal
