Dear Parent/ Guardian

Re: Pupil Premium 2021-2022

The Duston School assesses the needs of Pupil Premium students to identify the provision or support that will have the most beneficial impact of their education. It is envisaged that the 2021-22 budget will be spent upon staffing to ensure pupils have access to a high quality, well sequenced knowledge-rich curriculum, as well as the support that we are able to provide below.

All students who are identified as Pupil Premium will receive a ring-fenced amount of **£100** to spend upon the following:

- School uniform – This will be provided as a voucher
- Support towards educational trips and visits
- Subject specific equipment e.g. catering supplies
- Support towards extra-curricular clubs in the primary phase
- Support in accessing holiday clubs
- Support towards swimming lessons
- Books to support learning and reading for pleasure
- Support towards in-school peripatetic music lessons
- Funded revision guides, such as ActiveLearn English and GCSE reading texts.
- Funding towards the primary before and after school provision

In addition the following support is available free of charge:

- Additional teachers in key year groups to reduce class sizes where possible.
- Donated uniform – During lockdown we were donated new uniform i.e. trousers, shoes which are available via appointment.
- Provision of equipment packs, departmental resources, such as ingredients for Food Technology, or paints and pencils for Art/Graphics.
- Access to catch-up tutoring in English, Maths and Science where appropriate.

Please consider how you wish to spend your child's allocated £100 and contact pp@thedustonschool.org to proceed with any of the options listed above.

Yours faithfully,

Mr S Strickland
Principal
