Dear Parents/Guardians,

Re: School Kitchens

Please be advised that come the new academic year we will be re-opening the main school restaurant to our pupils during the lunchtime period. Given the size of the pupil population comparative to the size of the dining facilities that we have we will also be operating a new staggered approach to lunchtimes. We have built lunch into an elongated period 4. Years 7 and 8 will go to lunch first. Years 9 and 10 will then go to lunch once Years 7 and 8 return to class. Year 11 and our Post 16 students will go to lunch once Years 9 and 10 return to their lessons. We will have three key areas open for pupils to eat either a packed lunch, brought into school, or food purchased from the Amey catering team. These are:

- The Main Hall, which will be set up with tables for pupils to eat a packed lunch.
- The Main Restaurant, where pupils can purchase a hot meal.
- A new outdoor eatery, where pupils can purchase an array of sandwich/street style food.
- *Please note that Post 16 students will be able to eat in the Sixth Form Hub.*

Yours faithfully,

Mr Strickland
Principal

Mr S Strickland - Principal - BA (Hons), MA, NPQH
