

End of Term 4 update

Dear Parents/Guardians,

Term 4 has been incredibly busy for our school community. Year 11, 12 and 13 have completed their mock tests and are now busily revising for their forthcoming public examinations. Throughout this term the school has offered students the chance to attend both breakfast and period 6 revision sessions to further support them in achieving the very best possible outcomes. This level of help and support will continue into Term 5. The school has also hosted an Academic Review Day for all of Year 11, a Fresher's Day to support those students seeking to return to the Sixth Form and join Year 12 in September, a full day on knife crime awareness for students in Key Stage 3 and showcased a fantastic series of performances of Oliver. I am beaming with pride over the progress that the school as a whole is making and I thank you for your continued support.

The table below details the revision sessions that will be taking place during the first three days of the Easter break for students in Years 11, 12 and 13. In some cases students have received personal invites.
