Wider Reading 1—an article about Algeria

Mass street protests are back in Algeria and the government is nervous.

Cries of "Algeria, free, democratic" have once again been heard as thousands from all walks of life thronged to Kherrata, a town 200km (120 miles) east of the capital, Algiers, on Tuesday.

When the anti-government movement, known as the Hirak, started almost exactly two years ago it brought down a president and paved the way for some high-profile corruption prosecutions.

Its weekly protests in Algiers attracted huge crowds and were an unprecedented show of popular opinion, considering protests had in effect been prohibited in the city since 2001.

Wider Reading 2—Fact file on Algeria

Algeria

Capital: Algiers

Population: 43,053,054

In ancient times Algeria was known as Numidia. The Numidians were known for their army which rode horses, or cavalry. Later they were called the Berbers. Being on the coast of the Mediterranean Sea, the land of Algeria was part of some of the great Mediterranean empires over the course of history. The land was once under the rule of the powerful empire of [Carthage](#), but was later conquered by the Roman Republic and the Roman Empire. In the 8th century, the Arabs arrived and many Armenians converted to the religion of Islam. Parts of the region managed to maintain their independence for periods of time, but the great empires of the Mediterranean were an important part of the Algerian history.

During the Middle Ages, Algeria was lead by various tribes and Berber dynasties. In the 1500s, the Spanish Empire arrived and took over several cities and settlements. The Ottoman Empire intervened and soon Algeria became part of the Ottoman Empire.

In the 1800s the French invaded Algeria. The battle was brutal and the population of the country declined. However, many French came to settle Algeria. [France](#) would rule most of Algeria until the 1900s.

In the mid-1900s the Algerians began to rebel against French rule. The National Liberation Front (FLN) was formed in 1954 and began to fight France. In 1962, Algeria gained its independence and over 1 million French fled the country. For many years after, the country was ruled by a single socialist party that was almost a dictatorship. In the 1990s there was civil war in Algeria. Today there are still many protests in the country with people wanting freedom of speech and improved living conditions.

Wider Reading 3—The French national anthem

La Marseillaise is the French national anthem, and it has a long history that speaks to the history of France itself. In both French and English, the song is a powerful and patriotic anthem known throughout the world.

If you are [studying the French language](#), learning the words to *La Marseillaise* is definitely recommended.

La Marseillaise has a very [revolutionary](#) tone. Rouget de Lisle himself supported the monarchy, but the spirit of the song was quickly picked up by revolutionaries. The controversy did not stop in the 18th century but has lasted over the years, and the lyrics remain the subject of debate today.

[Napoleon](#) banned *La Marseillaise* under the Empire (1804-1815).

It was also banned in 1815 by [King Louis XVIII](#).

- *La Marseillaise* was reinstated in 1830.
- The song was again banned during the rule of Napoleon III (1852-1870).
- *La Marseillaise* was once again reinstated in 1879.
- In 1887, an "official version" was adopted by France's Ministry of War.
- After the [liberation of France during World War II](#), the Ministry of Education encouraged school children to sing *La Marseillaise* to "celebrate our liberation and our martyrs."

FRENCH	ENGLISH TRANSLATION
<i>Verse 1:</i> Allons enfants de la patrie, Le jour de gloire est arrivé ! Contre nous de la tyrannie L'étendard sanglant est levé ! (bis) Entendez-vous dans les campagnes, Mugir ces féroces soldats ? Ils viennent jusque dans nos bras Égorger nos fils, nos compagnes !	<i>Verse 1:</i> Let's go children of the fatherland, The day of glory has arrived! Against us tyranny's Bloody flag is raised! (repeat) In the countryside, do you hear The roaring of these fierce soldiers? They come right to our arms To slit the throats of our sons, our friends!
<i>Refrain:</i> <i>Aux armes, citoyens ! Formez vos bataillons ! Marchons ! Marchons ! Qu'un sang impur Abreuve nos sillons !</i>	<i>Refrain:</i> Grab your weapons, citizens! Form your battalions! Let us march! Let us march! May impure blood Water our fields!
<i>Verse 2:</i> Que veut cette horde d'esclaves, De traîtres, de rois conjurés ? Pour qui ces ignobles entraves, Ces fers dès longtemps préparés ? (bis) Français ! pour nous, ah ! quel outrage ! Quels transports il doit exciter ! C'est nous qu'on ose méditer De rendre à l'antique esclavage !	<i>Verse 2:</i> This horde of slaves, traitors, plotting kings, What do they want? For whom these vile shackles, These long-prepared irons? (repeat) Frenchmen, for us, oh! what an insult! What emotions that must excite! It is us that they dare to consider Returning to ancient slavery!
