Class:

What will you have learnt by the end of TERM 6?

The National Curriculum programme of study states that students should ***"know how art and design both reflect and shape our history, and contribute to the culture, creativity and wealth of our nation."***

As a continuation, students learn how to use different drawing and mark-making techniques and explore 2D media such as graded art pencils, ball point pen, fine liner, watercolour paints, charcoal / pastels and mixed media. Students will learn a range of skills to enable them to thoughtfully consider and produce art work exploring the theme 'Buildings'.

Students will investigate the works of 2D artists Minty Sainsbury, Sunga Park and Ian Murphy. They will continue to investigate and deepen their understanding of the artistic formal elements and other artistic vocabulary to enable them to discuss the work of others with a growing confidence. They will consider how to combine elements from different artists' work with their own ideas to help them design and create their own artwork based upon the topic 'buildings'.

The Subjects

At KS3, students will study one "Art and Design" lesson once per week. Art and Design modules will include fine art, graphics and art. craft and design schemes of learning with a view to introduce students to a broad variety of visual literacy skills and knowledge. Terms 3 and 4 will focus on Fine Art.

Assessment

As all subjects within the Art, Design and Technology faculty are predominantly practical, assessment and verbal feedback is an essential aspect of most lessons- this may be teacher led, peer or self-assessment.

At the end of each module, each student will be given grades based upon the work they have completed in addition to an Attitude to Learning grade.

Homework 2	Due Date:
Look at the three websites on the resource list (page 2) for the artist Ian Murphy and use the artist research sheet on page 5 of the knowledge organiser to help you to structure an artist research document on plain paper (this may be word processed). Use the artist analysis help sheet on page 8 to help you to add more detail.	
Homework 3	Due Date:
Look at the two websites on the resource list (page 2) for the artist Sunga Park and use the artist research sheet on page 6 of the knowledge organiser to help you to structure an artist research document on plain paper (this may be word processed). Use the artist analysis help sheet on page 8 to help you to add more detail.	
Homework 4	Due Date:
Take a series of photographs of buildings of interest looking closely at the structures and architectural features. Print these out and bring them in to use for your final piece in lessons. You may use old pictures, for example holiday pictures or any buildings pictures in your camera roll. If you don't have access to a camera, you may find buildings of interest from the internet or magazines (about 4-5 images).
