Wider reading

David lives on the island

of Cu-

ba in the capital city called Havana. He loves his sport but doesn't think much about music. Here David asks a friend about his opinion on sports and music, read their answer

Hola Isandro, ¿Qué tipo de deportes y música te gustan?

Hola David, todos los días voy al instituto de Santa María a las siete y suelo escuchar música de camino. De vez en cuando escucho música pop, sin embargo, me flipa la música latina para que pueda bailar con mis amigos. También, me chiflan los deportes. A mi juicio, deberíamos entrenar todos los días después del insti. El baloncesto es lo mejor. Mi profesor de educación física es muy simpático y me encantaría formar parte del equipo escolar de baloncesto. Lo difícil es que empieza a las seis y normalmente voy a casa con mi hermana menor. Cuando sea mayor, voy a estudiar las ciencias del deporte. Mi sueño es ser atleta. También me interesa ser profesor de baloncesto.

- 1) What does Isandro say about music in the first sentence?
- 2) What two music types does he mention and what does he say about them?
- 3) True, False or Not Mentioned: Isandro loves sports
- 4) What is Isandro's piece of advice for everyone about training?
- 5) True, False or Not Mentioned: Isandro plays football
- 6) What is Isandro's favourite sport?
- 7) Which teacher does Isandro talk about? How does he describe them?
- 8) What is difficult about joining the school team for Isandro?
- 9) What does he say about his future study plans?
- 10) What is his dream?
- 11) What other job does he mention?
