Dear Parents/Guardians,

**Re: Year 11 Geography After-School Catch-Up Sessions**

I hope this letter finds you well.

I am writing to inform you about a series of after-school catch-up sessions we are putting in place for your child's Year 11 Geography class. These sessions will run **every Tuesday from 2:55pm to 3:55pm**, starting **Tuesday 23rd September 2025**, and will continue **until the end of the Autumn Term in December**.

These sessions are being offered in response to some recent disruption to your child's Geography lessons, due to staff absence involving their class teacher. We fully acknowledge the impact this has had on learning time, and on behalf of the school, we sincerely apologise for any inconvenience caused.

To support pupils in catching up and preparing thoroughly for their upcoming assessments and examinations, these after-school sessions will be led by Mrs Malia and Ms Boyce, both experienced members of our Geography department.

While attendance at these sessions is not compulsory, we strongly recommend that your child attends in order to benefit from the additional support and ensure they are fully up to speed with the course content.

We remain committed to ensuring that all pupils are given every opportunity to succeed, and we thank you for your understanding and support during this time. If you have any questions or wish to discuss your child's progress further, please do not hesitate to get in touch, [twise@thedustonschool.org](mailto:twise@thedustonschool.org).

Yours faithfully,

Mr Wise  
**Senior Vice Principal – Head of Key Stage 4**
